Chengdu Biopurify Phytochemicals Ltd.  
[www.phytopurify.com](http://www.phytopurify.com)**Biopurify TCM compounds library offers over 4600 compounds, many of which are unique to us.**

- \*There are 3 sub-libraries to meet different budgets and demands.
- Selection is available across the library, and among compound types (e.g. Alkaloids, Flavonoids, Terpenoids, etc.)
- \* All compounds passed the HPLC, MS and NMR tests. Most of our products are provided with at least 95% purity.
- High purity minimize the occurrence of false positives.
- \* All compounds can be provided in individual packages from 2mg to 10mg.
- \* All compounds can be provided with the SDF file for computer screening.
- \* Large scale production is also available on demand.
- For many compounds, we already have a few grams or more in stock and ready for sale.
- Please contact us with the specific compounds needed.
